

(8) *Halls Crossroads has its own library and public schools and municipal services.* The Halls Center provides many municipal services to its residents including Marriage and Drivers Licenses, other motor vehicle services, notary public, passports, business license tax and computer labs. The Halls Branch Library serves the local population of Halls Crossroads. The library was founded in 1963 and is part of the Knox County Public Library System. It is open Mondays through Saturdays (for fifty-two and a half total hours per week). The library opens at 10:00 a.m. and holds evening hours until 8:00 p.m. three days per week. According to Ms. Dill, it has a book collection of 36,000, computer and internet access, and books-on-tape and children's video collections. The library holds a story time session three days per week for area children. In October, 2003, the library will be moving into a new, larger building. Halls Crossroads is also home to Halls Elementary School, Halls Middle School, and Halls High School, which are all part of the Knox County school system. See Exhibit 1.

#### **IV. Conclusion**

Grant of this petition is in the public interest because Halls Crossroads, Tennessee will receive its first local service, there will be a net gain in population served of 326,568 persons, and three existing short spacings will be eliminated. JBD reiterates that if the Commission grants this petition, it will file an application and construct the authorized facilities. The Commission should promptly grant the Counterproposal.

Respectfully submitted,

JBD INCORPORATED

Its Counsel

July 11, 2003

**Engineering Statement  
In Support of a  
Counterproposal**

**MB Docket 03-120  
WXJB, Halls Crossroads, Tennessee**

**General**

In MB Docket 03-120 channel 244A was proposed at Lake City, Tennessee. In the instant counterproposal JBD, Incorporated (herein referred to as "JBD") proposes to delete channel 243A at Harrogate, Tennessee (WXJB) and allocate channel 244A at Halls Crossroads, Tennessee as that community's first local service. Harrogate will continue to be served by WLMU(FM) and WRWB(AM).

**Exhibits Explained**

Exhibit E, Figure 1 shows that the proposed allotment site for channel 244A at Halls Crossroads is mutually exclusive with both the licensed site of WXJB and the proposed allocation of channel 244A at Lake City. No other spectrum modifications are needed to allocate channel 244A at Halls Crossroads. (The triggering of WDOD in Chattanooga, TN is not necessary to allocate channel 244A at Halls Crossroads, while it is necessary to allocate channel 244A at Lake City as a new facility.)

Exhibit E, Figure 2 shows the coverage of channel 244A over the proposed community of license with a 70 dBu contour. Exhibit E, Figure 3 demonstrates the sizable population increase that will result as a result of the proposed allotment. Exhibit E, Figure 4 shows that no underserved areas will be created as a result of the deletion of channel 243A at Harrogate.

**Conclusion**

If the instant counterproposal is granted, the existing WXJB short spacing to stations WXCC (10.14 km), the construction permit for WOXL-FM (5.32 km), and WDOD (3.69 km) will be eliminated. Also, a net population gain of 326,568 persons will be receiving a new service.

Donnie Ellis presents a gift to Knox County mayor Mike Ragsdale at the June 17 meeting of the Halls Business and Professional Association.

## Ragsdale announces senior center for Halls; wants new facility

It was a lovefest when county mayor Mike Ragsdale spoke last week to the Halls Business and Professional Association. Donnie Ellis gave him a bright red rug that read, "Halls has it," Ted Hatfield gave him a black T-shirt with the Street Team logo; and Peggy Arnold presented a petition signed by 1,000 people asking that a Senior Citizens Center be built in Halls.

"There are a lot of seniors sitting at home today looking at four walls," Arnold said. "It's long overdue."

Ragsdale was quick to respond, pointing out that \$1 million is in this year's capital budget to build a new center. "I'm going to spend some time (after this meeting) to look at sites," he said. Four sites have been

Thanks very much for the online version of The Shopper. Having  
up in Halls and lived in Knoxville all my life (at least until  
I have sorely missed getting to read The Shopper each week. As  
Atlanta resident I really miss my little hometown paper. Mike  
sent me the URL for The Shopper online and now I get to keep up

the news just like I was still at home. Thanks very much, and everyone in Halls.

Thanks K.O. for your comments & suggestions about On the Web. Some of the webpages didn't load. Most likely because spaces slipped up that weren't supposed to be in the web address when it was copied and pasted into the web browser. Once the spaces are deleted the page should load. Hope this helps.
